

PROJECT: INFRASTRUCTURE IMPROVEMENTS

LOCATION

701 Church Street

PROJECT INFORMATION

The Martin Luther King, Jr. Memorial is undergoing restoration. A structural engineer found the steel supports and granite panels have deteriorated and need to be repaired. The memorial was dedicated in 2000 and was conceived by former Norfolk Councilman and General District Court Judge, Joseph A. Jordan, Jr. The granite Memorial stands at 83-feet tall and is inscribed with quotations by Dr. Martin Luther King.

SCOPE OF WORK

Repair steel structural support and fallen granite panels at the Martin Luther King Memorial.
